### **Pacific Rim Capital's David Mirsky Joins Ranks of Stanford Who's Who**

David C. Mirsky has been accepted among the prestigious ranks of Stanford Who's Who as a result of his remarkable professional career. As co-founder and chief operating officer of Pacific Rim Capital, as well as throughout his 20 years in the business, David has routinely exhibited the passion, vision and dedication necessary to be considered among the best.

Pacific Rim Capital is one of the country's fastest-growing general equipment leasing and asset management providers. The company notes it is among the top 10 material handling equipment lessors in the U.S. with approximately \$400 million of equipment under management and a roster of Fortune 500 clients across a wide-ranging spectrum of industries.

Mirsky is an expert in leasing who is responsible for handling all functions of the business operation except sales. He is a member of the Equipment Leasing and Finance Association.

Founded in 1990, Pacific Rim Capital is a global financial services company that provides equipment leasing and asset management services to the Fortune 500. PRC maintains a leadership position in material handling equipment leasing. For more information, visit <http://www.pacificrimcapital.com>.
